### COMMENTS:

To Whom It May Concern:

Attached is the report of a grassroots issue communication by the National Education Association. I attempted to file this report as an email attachment this morning, but I have received automated responses which lead me to believe that the electronic transmission did not go through successfully. If my belief is unfounded and you have in fact already received this report, please disregard this submission.

Please contact me if you have any questions regarding this matter. Thank you for your assistance.
